ORANGE OPEN GARDENS

Explore stunning gardens and support Orange Public School

SATURDAY 28TH OCTOBER

9AM - 4PM

THE GARDENS

The students and staff at Orange Public School are grateful for your support of our event. Funds raised will enhance learning opportunities and improve the green spaces in the school through the Orange Public School Parents and Citizens (P&C).

Visit our website to learn more and purchase merchandise.
orangeopengardens.org.au

The Hub **Orange Public School Infants Site** **[Corner Anson and Torpy Street](#)**

Open from 8am until 12 noon, come here to purchase your garden pass, pick-up your map, and ask questions.

The Hub will also have a delicious BBQ breakfast, Coffee Cart from 8am-11am, plant & merchandise stall and choirs performing throughout the morning.

Knocklong **[73 Hill Street, Orange](#)** **1.5km, 3mins from The Hub**

Knocklong has three separate garden spaces. The front, slightly formal, garden includes hedged paths and two ancient trees as well as peonies, roses perennial anemones and azaleas. Other features are a sheltered area with ferns and other shade lovers, a pond, and lawn area filled with surprises.

Tremaur **[158 Sale Street, Orange](#)** **2.4km, 5mins from The Hub**

Tremaur is a 1940s residential town block of approx 1000m². The garden is an eclectic mix of cottage garden with heritage hedge, raised vegetable gardens interspersed with more contemporary feature walls, outdoor kitchen, fire pit, tree canopy space, fish pond and sculpture.

Built up over more than a decade and ever evolving, it is laid out in multiple garden "rooms", each with a distinctive style but blending to the adjoining space.

Bexley House **[142 McLachlan Street, Orange](#)** **1.9km, 5mins from The Hub**

Owner Glenda purchased Bexley after moving to Orange from Brisbane to be closer to her daughter Ngaire Oliver, Deputy Principal at Orange Public School.

Glenda started work on Bexley's garden as soon as she moved in, many of the plants reminding her of those she grow up with in Christchurch: roses, germaniums and hydrangeas. She derives great joy from the beauty as well as the veggie patch and has learn a lot in the last few years.

Melliodora **[38 Perc Griffith Way, Orange](#)** **5.2km, 10mins from The Hub**

A lovely 5-acre property with views to Mount Canobolas. Key features include layered rock wall gardens, many roses of different varieties, an array of flowering plants that bring a colourful show for over 6 months of the year, and a range of other plants chosen for their varied foliage, ensuring the garden maintains colour through the winter months.

Luxulyan **[291 Canobolas Road, Orange](#)** **6.2km, 8mins from The Hub**

Originally established by Courtney Hawkes in circ 1910, Luxulyan has changed and evolved over the years with both formal and informal gardens making up this gorgeous property. With views across Orange from the native garden you can then wander around the home finding your way across the front lawn, through the secret gardens and discover the olive tress, veggie garden and chickens.

Anfield Gardens **[21 Moriarty Crescent, Orange](#)** **6.6km, 10mins from The Hub**

Anfield Gardens began its journey back in 2010 with only a couple of blue gums planted on the property. Now in 2023 the garden consists of over 350 trees, a formal vegetable garden, kitchen herb garden, a stone fruit and citrus orchard, olive grove and a small Shiraz vineyard.

The property also the has a number of rose gardens, including David Austin roses, numerous perennial flowering plants throughout the garden including a perennial garden room.

Chook Chase

Get the kids involved in enjoying the event. They can search for a chicken (statue!) in each garden and at the Hub. When they find a chook, they'll stamp their paper card. When they have collected 6, we'll give them a sweet treat to enjoy.
